Taiko Performance with Kenny Endo and Chizuko Endo

In collaboration with *The Zenjo*, we have the great pleasure of welcoming world-renowned taiko artist Kenny Endo and Chizuko Endo to Sweden for an evening performance on **November 11th!**

Taiko (太鼓) originates from Japan and is played all over the world. Taiko has not only spread geographically over the years but has expanded artistically as well, from traditional festival drumming, to the creation of new styles of taiko and collaboration with other musical forms.

Kenny Endo

Kenny Endo is at the vanguard of the taiko genre, continuing to explore new possibilities for this ancient Japanese instrument. A performer, composer, teacher, Kenny is a consummate artist, blending taiko with original music through collaborations with artists from around the world. Kenny has toured throughout the USA and in over thirty five countries performing concerts, conducting workshops, and giving lectures. He recently received the Hompa Hongwanji Living Treasures of Hawaii Award. In January 2022, Kenny was awarded the United States Artists award. In 2023 Kenny performed in Canada, Scotland, Spain, Switzerland, Belgium, Germany, and Wales. This is Kenny and Chizuko's first concert in Sweden.
